## PROJECTS

**Paws and Claws** | Deployment: <http://bit.ly/3XW3ZPk> | Repository: <http://bit.ly/3JbQO8V>

- **Description:** MERN-compliant site for a mobile pet-grooming service. Allows clients to create accounts, make pet profiles, and schedule appointments.
- **Role:** Co-creator
- **Key Technologies:** React, Apollo-Client, GraphQL, Express/Apollo-Server-Express, Mongoose, MongoDB, JSON-WebToken, and Bcrypt.

**Cinematic Spirits** | Deployment: <http://bit.ly/3XW3ZPk> | Repository: <http://bit.ly/3JbQO8V>

- **Description:** An application that utilizes APIs and JavaScript to take a user's chosen movie and match it to a thematically appropriate cocktail.
- **Role:** Co-creator
- **Key Technologies:** HTML, JavaScript, CSS, and Bulma.

**Employee-Tracker** | Demo Video <https://bit.ly/3HCbNRn> | Repository: <http://bit.ly/3DaW2hm>

- **Description:** A back-end node application that allows a user to create, view, update, and remove Employees, Roles, and Departments from a MySQL2 database.
  - **Role:** Creator
  - **Key Technologies:** MySQL2, Inquirer, Console
-

## WORK EXPERIENCE

### **National Grain and Feed Association**, Arlington, VA

*Manager, Legal Affairs and Arbitration*, November 2020 – November 2021

- Drafted notices, default judgments, and other documents relevant to the arbitration department
- Monitored over 50 ongoing arbitration cases, ensured that deadlines were met and parties were aware of case status
- Maintained detailed case records, including all communications and developments.
- Performed cursory research on legal questions relevant to cases or the Association's conduct

### **Dawn & Dusk Coffee Bar**, Pentagon

*Manager*, September 12, 2019 – Onset of COVID-19

- Oversaw company integration into Pentagon location, including developing Standard Operating Procedures and employee guides, curating a menu of regularly shifting offerings, and adjusting service policies to maximize productivity.
- Developed strong connections with customers, often resulting in daily purchases and visits to a secondary weekend location.

### **Veteran's Legal Clinic**, Winston-Salem, NC

*Student Advocate*, August 2018 – January 2019; 60 hrs/semester

- Reviewed applications submitted by veterans who were pursuing an upgrade in discharge characterization.
- Interviewed roughly ten potential clients weekly, discussing confidential records and traumatic military experiences. Analyzed military, governmental, medical, and legal documents for relevant information
- Drafted memos summarizing candidate situations for review by supervising attorney
- Wrote upgrade petitions for review by the Army Board for Correction of Military Records

---

## EDUCATION

### **George Washington University**, Remote

Certificate in Full Stack Web Development, January 2023

### **Wake Forest University School of Law**, Winston-Salem, NC

*Juris Doctor*, May 2019
